

No Book Left Unread: Make a Summer **Splash** **READ @ Your Library**

Clifdale Elementary School will participate in **No Book Left Unread (NBLU)**, the Summer Reading Challenge sponsored by:

Follett Library Resources

The Reading Warehouse

South Carolina Association of School Librarians

South Carolina Department of Education

- Read some every day from June 1 - August 31.
(books, comics, newspapers, magazines, instruction manuals)
- Have an adult sign your reading log, recording the **number of minutes** that you read.
- Bring your signed reading logs to Mrs. Mamroth by September 3.

Clifdale students who participate will receive a reading pencil when they return their log sheets by September 4.

Clifdale students who read at least 1000 minutes this summer will receive a free paperback book in addition to a pencil when they return their log sheets by September 3. (Read 15 minutes per day and you'll make it!)

If you participate in the public library summer reading program in addition to the Clifdale challenge, you will be invited to a popsicle party. (Reading is COOL!)
